The Chairman
Council of Governors
Delta House – Wetlands
NAIROBI

RE: FACILITY CLOSURE NOTICE

The Ministry of Health and the Regulatory Bodies under the Coordination of the Kenya Health Professionals Oversight Authority (KHPOA) conducted a joint Inspection for purposes of Categorization/Classification of facilities from February 2019 to August 2019, in accordance with Section 25 (1) of the Health Act read together with the First Schedule.

This was based on the services offered, the health infrastructure and the health personnel minimum standards as per the Legal Notice No. 3 of the Medical Practitioners and Dentists Act (Cap 253).

The attached list of facilities did not meet the minimum standards for licensure and were therefore ORDERED TO BE CLOSED, until such a time that they comply with the minimum standards and apply to the relevant regulatory bodies for re-inspection.
I am therefore requesting that you facilitate your County and Sub- County Health Management Teams to ensure compliance
